North Randall County Club Protests Recent Poll Taken by News Regard Line Change: Make Own Suggestion

The News publishes the following letter from F. S. Finch, president of the North Randall County Civic Club, which was directed to T. E. Johnson of the Amarillo Times:

We have noticed newspaper discussions about the possibility of consolidating Potter and Randall Counties. The Amarillo Globe interviewed Potter County residents of Amarillo, and The Canyon News, residents of Canyon. Neither paper bothered about contacting those perennial step-children, the residents of South Amarillo in Randall County. These people carry a high percentage of Randall County's tax burden and are almost numerous enough to carry the county vote by themselves, yet neither paper has bothered to ask their opinions.

Just for the record, we are going to outline for you the thinking of the North Randall County Civic Club. This group has for several months been studying the question of secession from Randall County. We are thinking of severing about 190 square miles from Randall county and attaching same to Potter County. It is believed the people of South Amarillo will be interested in our report on this subject when we have it completed. We believe also that Potter County residents will be interested.

We are somewhat surprised by all this to-do about consolidation. Frankly it has never occurred to us that Potter County would consider taking all of Randall County. If the good people of Potter County persist in this line of thought, we will have to have a heart-to-heart talk with them about the peculiarities of life in Randall County.

There are people in Canyon, such as J. W. Shook and C. R. Burrow, who feel that South Amarillo is due more consideration than they have received in the past. We want these two gentlemen to know that we appreciate their sentiments. At the same time we want others to know we have long since passed the stage where sentiments have much influence. We prefer actions rather than sentiments. It is one thing for C. R. Burrow to ask more consideration for South Amarillo, and it would be another thing for the Randall County Commissioners Court to stop charging residents of South Amarillo for a library building used solely by Canyon.

May we suggest that another poll be conducted, inquiring, "Would you like to see South Amarillo detach itself from Randall County and join Potter County?"

(NB—Thanks, Mr. Finch for your letter. The poll which the Canyon News took was on a different subject from the one you propose. Several years ago, long before South Amarillo reached its present population, the late C. N. Harrison proposed that Randall county trade Potter county the sections of land now in question for an equal amount of land west of Amarillo. This trade was suggested in view of the constitutional requirements of the size of Texas counties. At the same time it was proposed to trade Armstrong county land in the northeast part of the county for the Wayside community. Lawyers found no legal way to carry out either proposal. So far as South Amarillo is concerned, there is nothing but friendship and goodwill in Canyon for residents of that section, and a willingness to extend full co-operation within the powers of citizenship. All citizens are welcomed, most heartily welcomed within the boundaries of Randall county, which we can make a greater county by close co-operation. Thanks for your letter.)

Randall May Get Out From Rent Control Laws

It is proposed in Washington that Randall county be eliminated from the new rent control bill. The exemption would apply to all parts of the county with the exception of South Amarillo, which is situated in this county. Randall county is the Panhandle which is now under rent control that would be eliminated from the provisions of the new bill.

Rent control is a "must" on the program of the President. The present law will expire on March 31, and unless Congress takes action before that time there will be no law on the subject.

It is expected that Congress will extend rent control. The President wishes the measure for 15 more months, while those opposed to rent control are proposing only three months' extension.

C. S. Sanford Rites Held Here Tuesday 3 p.m.

Funeral service for C. S. Sanford, 73, retired Randall County stockman, and farmer, was held here Tuesday afternoon at 3 o'clock at the First Methodist Church, with Rev. Hubert Thomson, pastor, officiating.

Mr. Sanford died at his home last Saturday, March 12, after a long illness. He was born July 10, 1875 in Peoria, Illinois, and was married to Maggie Wooten, August 7, 1897 in Gainesville. He moved to the Panhandle in 1917 and to Canyon in 1925. He was a member of the Methodist Church here.

One son, Murrell, preceded his father in death on March 21, 1935.

Interment was in Dreamland Cemetery under the direction of Blackburn Shaw Funeral Home in Amarillo.

Survivors include the widow, Mrs. Maggie Sanford, two sons, Jack of Los Angeles, Calif., and Wayne Sanford of Canyon; three daughters, Mrs. Cecil Garrison, Amarillo; Mrs. Ethel Belles, Torrance, Calif.; Mrs. Beatrice Bryson, also of Torrance; eight grandchildren and 2 great-grandchildren.

Pallbearers included Ed Weeks, Bud Rusk, W. H. McKee, T. M. Thurmon, Fred Scott, Ernest Prichard.

Honorary pall bearers were C. A. Higdon, B. F. Machen, Frank Brown Mr. Steen, W. H. Hamblen and T. A. Moore.

George Walker Has Returned From the Funeral of Father

G. D. Walker of Happy was called to Norborne, Mo., this week by the death of his father, G. B. Walker, 85. The funeral was held Tuesday in the Methodist Church.

Mr. Walker is survived by two sons and four daughters, G. D. Walker of Happy, W. J. Walker of Richmond, Mo.; Mrs. S. S. Hoover of Cheyenne, Wyoming, Mrs. James Hoover and Mrs. Roe Burt of Norborne, Mo., and Mrs. P. K. Holland of Ruby, S. C.; 21 grandchildren and 31 great grandchildren.

Petition Filed for Re-election of Seven School Trustees

The names of seven present school trustees of the Canyon Independent School District will go on the official ballots. So far no other names have been presented. March 22 is the final filing date.

A petition has been circulated and filed requesting the present board to continue their work. All have agreed, if the people wish them. This situation was brought about by the fact that all seven were appointed to serve until the election this year. After the election the seven trustees who are elected will draw for places, serving one, two and three year terms.

Those petitioned to serve are: Dr. R. A. Neblett, Mrs. E. D. Harrell, W. R. Crow, Walter Graham, C. B. Irwin, Geo. R. Ross and Clem Dugan.

J. W. Shook has been appointed to hold the election, which will be held on Saturday, April 2.

George Gidden To Succeed Leslie Key on City Job

Leslie Key has resigned from his job with the city water department to become effective March 20. Mr. and Mrs. Key will move to Ruidoso, N. M., at that time to accept employment with Leroy McDaniel, who operates a large tourist court.

Gidden has worked with the Curtis Plumbing Co. for about a year and was with Holman & Hays until Monday when he went with the city in order to become acquainted with the work before Mr. Key leaves.

Error Made in Date For Sewer Ordinance

Mayor W. A. Warren stated Monday that an error was made in the date for the new sewer ordinance.

The second reading of the ordinance would be held on March 18 at which time a public hearing of the ordinance is scheduled.

A third reading and effective date will be later.

It is planned to make the first collection date effective on May 1.

Subscribers Must Notify Papers of Address Change

Effective March 1st, subscribers are warned to notify your newspapers and magazines of all changes of addresses.

In years past postmasters have mailed cards to publishers giving any changes in address. They will not be required to do so starting March 1. This has been a burden on postoffices and heavy expense on publishers because of the large number of address changes weekly.

All persons must remember that when they move they must leave a forwarding address at your postoffice, and you will be required to pay forwarding postage on all newspapers and magazines which you have not notified to change your address.

24 Arrested in County Saturday in Network Drive

Twenty-four arrests were made Saturday night at a road block which was thrown up at Ralph Switch by Highway Patrolmen, Sheriff M. E. Cantrell and the Sheriff of Swisher county. Cars were stopped until 2 o'clock Sunday morning.

Various offenses were charged, but the largest number being for driving without licenses.

No liquor charges were filed Saturday night. Two drunken drivers were arrested Monday night on the highway.

Road blocks were thrown up in 16 counties in this area Saturday night and 200 persons were nabbed on various charges. Reckless driving and driving without licenses were the principle offenses.

The Highway Patrol is making an intensive drive over the state to clear the highways of reckless drivers.

Rotary Club Sees Pictures on U.N. Atomic Control

The controversy between America and Russia over atomic control was shown in pictures Tuesday at the Rotary Club luncheon. The pictures were sent from United Nations headquarters in order that Americans may better understand the difference of opinion that has made settlement of this problem impossible.

Frank Morgan read the explanation from U.N. while the pictures were shown by Roy L. Johnson.

The fact that nine of the eleven nations on this commission agrees with the United States, while only two agree with Russia was pointed out. Difference in ways and means of control; timing and sequence; and enforcement were pictured.

Scientists were studying atomic energy before the war with the view of directing it into peaceful use. Instead of this, it was directed into destructive channels. Russia wishes to gain information regarding atomic power, but does not wish to be inspected as to the uses it is making of the power.

Visitors were: M. L. Upchurch of Berkley, Calif.; Frank Storm, Jr., W .W. Rusk, C. R. McAfee, Jack Allen, Arch Hunsley, all of Amarillo.

House Markers Put Out Sunday By Amarillo Firm

Citizens of Canyon were amazed Monday morning when they found house markers placed along the curbs on Fourth and Fifth Avenues. Each home owner found a bill in his door saying that in a few days a collector would be along to collect for the markers.

Many telephone calls resulted. The city hall was busy telling Canyon people that the Chamber of Commerce had nothing to do with the numbers, and that these markers were not connected with the present campaign to mark all streets.

The Chamber of Commerce is working on street markers, but these will be placed at the intersections.

Numbering the houses is for the individual residents, to be sure, but no plan has been endorsed by the Chamber for house markers.

It is reported that the house numbers which were placed along the curbs were made in Amarillo. They are on wire, which would not stand up under hard usage. The numbers have been introduced in sections of Amarillo, but not generally adopted.

All houses in Canyon should be numbered, but the Chamber is not advocating any particular type of numbers. All numbers should be placed so as to be distinguished from the street. Placing numbers along the curbs will interfer with lawn mowers, and will easily be damaged by children at play.

The Chamber will meet on Thursday night of next week to consider three different types of markers, and it is hoped that at this time a decision will be reached. "We want to buy an attractive, but durable street marker, and place them at every street intersection in Canyon," stated Clyde W. Warwick Monday. "Marking the houses is the job for the individual owners, and so far the Chamber has taken no steps to endorse any type of marker."

Markers were placed in front of the homes on Sixth Avenue Tuesday afternoon. So far no effort has been made to make collections on any of the markers, but these collectors are expected to make the rounds for the Amarillo firm before the end of the week.

Recruiting Truck In Canyon For Two Days Seeking Men

Sgt. Jess Beweley and Sgt. Hopf of Amarillo recruiting station were in Canyon Friday and Saturday with the Army Truck seeking recruits on a quota basis.

Veterans who have been discharged in less than 90 days may re-enlist without quota restrictions. Non-veterans will take their physical examinations in Amarillo.

G. W. Ellison Rites Held at Childress

G. W. Ellison, father of Karl Ellison of this city, died at his home in Childress March 9. Mr. Ellison was 81 years old and had been a resident of Childress since 1906.

Funeral services were held Thursday afternoon, March 10, at 2:30 o'clock in the First Baptist Church in Childress, with Rev. Colson, pastor, officiating. Services were in charge of the Odd Fellow Lodge, of which Mr. Ellison had been a member for 35 years.

He is survived by the widow, and one son, Karl Ellison of Canyon, one daughter, Mrs. Mary Faust of Orchid, Calif., five grandchildren, and 4 great-grandchildren.

Mr. and Mrs. Karl Ellison, and Mr. and Mrs. Glenn Dorris and Bob, attended the funeral from Canyon. Mrs. Faust was unable to come from California.

Rabbits Stolen From A. L. Chambers

Three California rabbits were stolen Sunday night from A. L. Chambers residence at 801 6th Avenue. There was 1 Buck Ear No. AC25 and weight 7 pounds, 1 Doe, weight 4 pounds, and 1 Buck, weight 4 pounds.

These rabbits are valued at $15.00. Californians are white rabbits with dark nose, feet, ears and tail. The dark markings vary from brown to black and sometimes are very light or absent in younger stock, but show up as the rabbits grow older.

Mr. and Mrs. Billie Davis and son, Gene, of Amarillo, spent Thursday night in the parental W. T. Davis home. Mr. Davis is an engineer for KFDA, Amarillo, and was in Canyon to assist with the broadcast of the Personality Pageant at the College Cafeteria on Thursday night.

Mrs. Leo Scott and daughter Jeanine have returned from a few days visit in Dallas.

Miss Ruth Cross Named Dean of Women for West Texas State

West Texas State's new Dean of Women will be Miss Ruth Cross, present Associate Professor of Physical Education and Head of the Department for Women. Miss Cross's appointment will become effective in August when Miss Eleanor C. Boyd, present Dean of Women will resign.

Miss Cross received her Bachelor of Arts degree in Biology and Physical Education from the University of Wichita in Wichita, Kansas. She took her M. A. from Columbia University in New York City.

At the University of Washington at Seattle, Washington, she took work in Administration and Personnel problems in Recreation and at the University of Michigan at Ann Arbor she studied Administration and Personnel Problems in Camping Education. Her main source of personal expericence for the position of Dean of Women has been in association with girls' camps and in directing recreation.

On the campus Miss Cross has worked with women students in her capacity as instructor of physical education for women and in the girl's intramural program. She has also been active in the square dance clubs, both boys and girls, the Outing Club; and Physical Education Majors' Club.

Commenting on her aim for women students, Miss Cross said, "I am hoping to work out better use of health services for girls. It will be interesting for me to have the advantage of more contacts with the girls, because I am now limited to association with them in the department. This new office will give me the opportunity to work in social activities on the campus."

"I don't believe that the girls of this section of the country get into any situations that cannot be worked out by talking it over; therefore, I plan to let the girls work out their problems themselves in a cooperative sort of basis with me."

A native of Wichita, Kansas, Miss Cross taught physical education in Wichita High School East and did playground and supervisor work in the Public School System of Wichita. She came to West Texas in 1927 as Asistant Professor of Physical Education. Changes in the Department for Women made her Associate Professor and Head of the Department.

Dumping Cans, Dead Animals In Bar Ditches

Beer cans, dead cats, chickens and dogs are cluttering up the highways and bar ditches of highways and country roads of Randall county.

Broken bottles are ruining the tires on the county's maintainers as these machines try to keep the roads in good condition.

Throwing this rubbish in the bar ditches is against the law, and those who indulge in this are laying themselves liable to prosecution.

A farmer living near Canyon complains that cases of empty beer cans are being dumped in his pasture. If a cow steps into an empty tin can, dire results may be expected. Those who drink beer should dispose of their cans at the city's dump grounds, and not on the right-of-way or on other people's property.

Mr. and Mrs. Jim Heffy of Toledo, Ohio, are the parents of a baby girl born on March 11. Mrs. Heffy is the former Janice Service, daughter of Mr. and Mrs. Tracy Service of Toledo, and granddaughter of Mrs. C. T. Service of Canyon.

Dr. Boswell Doing Graduate Work at Dallas Hospital

Dr. Leta N. Boswell, who is on the staff of Neblett Hospital, was chosen for a four months' residency at St. Paul's Hospital in Dallas where she is doing post praduate work in obstetrics and gynecology, diseases of women. She left for Dallas the last of February.

Chief of Staff at St. Paul's Hospital is one of Dr. Boswell's former professors at Southwestern Medical School, Dr. O. V. Prejean. Dr. Boswell plans to be back on duty at Neblett Hospital by July 1. Her son, Mac, is with her and is staying with a cousin in Dallas.

S. C. Harp spent last week end visiting in the home of his parents in Vega, Mr. and Mrs. T. B. Harp.

Public Warned to Observe Signs of Record Firing

During the week end of April 2nd and 3rd, and continuing each week end thereafter through April and May the companies of the National Guard stationed in Canyon and Amarillo will participate in record firing of the .30 calibre M-1 rifle.

Each man will fire a course of 150 rounds at a range of 200 yards.

During the time of firing there will be signs posted around the area and red streamers flying. The public is warned to stay clear of the area as long as the red streamers are up unless escorted by military personnel assigned to the units.

During the week end that the Canyon Company is on the firing line, the public who wish to observe will be on the area unless a further notice appears in this paper.

Company E will spend two weeks in the field or until each man has fired the prescribed number of rounds.

The firing range is located one mile east of the Amarillo Hill on the north side of the road. This property belongs to the U. S. Government and no persons will be allowed in the area without the permission of Capt. Donald M. Olson.

An allotment of ammunition consisting of 9000 rounds has been received by Company E for use during this period.

Recently this company moved equipment from the U.S.P.&D.O. located at Austin. The shipment consisted of additional clothing, one 2 ton truck, one jeep and one trailer.

Children Must Be Listed in School Census Immediately

Lee Foster, of the Canyon Independent School District office, is asking that all children be enumerated immediately for the school census.

All children who will be six years old before September 1 should be listed in the present school census, and Mr. Foster asks that parents either call at the Court House at his office or phone 650 and a representative will call at the home to take the information.

It is most important that this census be completed, because every child who is of school age and is not enumerated, will mean the loss of $55 per child to the Canyon Independent School District.

Petition Asks To Close Court House Saturday Afternoon

A petition was filed by county employees with the Commissioners Court asking that county offices be closed at noon on Saturdays in order to give the employees a little more time to themselves.

Judge Burney Slack stated that no action was taken on the petition. He stated that the Attorney General has recently been requested for an opinion, but had ruled that the Commissioners Court had no authority to pass such an order.

No action was taken Monday on the petition.

LEHNICK MAKES CO. TEAM

Edward Lehnick, SR, has made the first team in basketball in Company 49-O41 Naval Training Center, San Diego, California, where he is in boot camp. Edward was a member of the Calves basketball team last year and for the first semester this year he played with the Badgers at Amarillo College. He is the son of Mrs. Letha Lehnick.

Beware Grafters Who Are Trying All Kind Schemes

Grafters and imposters are becoming more and more numerous in Canyon.

On Monday a fellow wearing an overseas cap stood in front of the postoffice begging. He was insulting to those who passed him by. He carried crutches.

A civic minded citizen approached the man to get a lineup on him, his record and his residence. He said that he was from "Clovis, Texas." He claimed that he was disabled while serving in World War I. He also claimed that the government paid him only $18.75 per month.

When questioned further regarding his war record, he turned and walked away.

The Dallas News of Sunday had a story on these fake beggars who are becoming more and more numerous. Posing as war veterans is a favorite gag, which is being used effectively over the nation.

The article pointed out that about 90% of these beggars are pure fakes. Most of them have criminal records.

When you are asked to make donations to any outside person or institution, better be sure that you are not supporting just another grafter who is living off the people of the nation.

This is true of hitch hikers as well as all other kinds of beggars.

March of Dimes Quota Is Almost Reached This Year

The $1,000 quota for the March of Dimes drive in Randall County was almost reached, it was announced this week by Levi Cole, treasurer, and Mrs. C. O. Elkins, campaign director. The total amount received in Randall County was $974.43, and there are still two communities which have not turned in their contributions. Mrs. Elkins wishes to thank the schools, organizations and individuals for their splendid co-operation and help, without which the campaign would not have been the success that it was. This large contribution for Randall County will assure protection for any polio victims in this county during 1949.

Auxiliary To Honor Legion Birthday

Members of the American Legion Auxiliary are giving a banquet Thursday evening, March 17, at 7:15 o'clock at the Legion Hall, in honor of the birthday of the American Legion.

All Legion members and their wives are invited to the banquet, whether the wives are auxiliary members or not. It was requested that this point be stressed, and it is hoped that all Legion members and wives will be able to attend.

The planning committee requests that those who are planning to attend the banquet call 535j or 475j, by Wednesday evening so committee members will know how many guests to plan for.

Dr. James P. Cornette, president of West Texas State, will be the guest speaker at the banquet.

MADE HONOR ROLL

According to a news release from Texas Tech at Lubbock, J. Spencer Winn was included in the fall honor roll.

Mr. and Mrs. Wayne Cox were week end guests in the home of Mrs. C. B. Williams in Hereford.

Will Panhandle Be By-passed Again by the Legislature?

T. E. Johnson of the Amarillo Times has been in Austin checking up on legislation. He finds that the Panhandle is being bypassed by the legislature in passing needed laws.

Maybe Mr. Johnson was a little disturbed at the slow movement in legislation, and then again he may have found real cause for concern.

Farmers flocked to Austin demanding that the legislature do something about farm-to-market roads. According to Mr. Johnson, the Governor and his advisers are attempting to throw them a mere sop.

When the legislature convened, it was reported there was a balance of 100 million in the treasury. Now high officials claim that it will take additional taxes to meet appropriations.

The Panhandle has been demanding $300,000 to pay off the debt against the Palo Duro State Park and $90,000 for the Museum building. These are the only region-wide institutions in this area.

Johnson reports that these appropriation bills are behind closed doors, and Senator Grady Hazlewood predicts that powers that be in Austin will hold them under cover.

In the meanhwile huge sums are being appropriated for other measures and institutions.

John L. Lewis Bobs Up Again With Two Weeks of "Mourning"

John L. Lewis has done it again. His miners are out on a two weeks "of mourning." Just when Congress was trying to pass legislation to curb such unauthorized "strikes," old John pulls one.

Congressmen say that the Taft-Hartley law can take care of the situation, but that the proposed labor law of the administration has no provision to curb such unauthorized strikes. John L. has so little sense as to propose the repeal of all labor regulatory laws, and allow such labor leaders as himself to continue running the show.

Until Lewis ran into Judge Goldsborough a few months ago, he was running things pretty much as he pleased.

Mine operators say that the two weeks layoff will not hurt the coal situation in view of the fact that there is a two month's supply of coal on hand. The miners will pay the penalty for John L. Lewis' whims.

Liquor Problem Is Still a Critical One in the Nation

A minor protests the movement in Amarillo to form a youth organization of Alcoholic Anonymous. He takes the position that since it is illegal to sell liquor to minors that the operators should be punished.

The question is: Just how are you going to get the goods on the liquor dealers who are violating the law. Some liquor dealers may be law abiding citizens, but the majority of them will violate the law when the dollar is involved.

It is a terrible state of affairs to agree that minors are so much in the clutches of liquor that Alcoholics Anonymous has a mission to perform among them. Likewise it is a terrible state of affairs when grown men and women allow liquor to become dominant in their lives.

Prices For Natural Gas

Senator Grady Hazlewood has introduced a bill to increase the price of natural gas in Texas. He charges that the gas companies have been taking advantage of land owners since they are the only buyers of gas.

We have been hearing this plea for 20 years, but nothing has happened.

Without doubt the land and royalty owners are entitled to higher prices, but whether they will get it is another question. The big boys will fight the bill, just as they have fought every increase in taxes upon the natural resources of the state.

April 8-9 Will Be Here Soon

Newspaper folks of this area are again reminded that it will soon be time for the 40th Annual Convention of the Panhandle Press Association. The dates are April 8-9. Twenty-nine of the 30 living past presidents of the Association have accepted the invitation to be present.

Just because the "old timers" will be present is no reason for the youth of the organization not to come. All that youth needs to do is take a look at the past presidents to realize what they will look like in a few years.

The jurors in the Axis Sally case were not soft hearted. It has been charged that Americans hesitate to convict criminals, especially women. In this case, we are confident that a vast majority of the American people would gladly dance on the casket of Axis Sally, should she be executed for her crimes.

We wish we knew how to keep magazine peddlers away from the doors of Canyon. We do know a sure way to get rid of them: Just kick them out and tell them not to come back. That is the only way we know of ridding the town of these pests.

Gyp artists, working the old time magazine racket, were arrested in a neighboring town last week. They were selling imaginary magazines—pure fraud. When you give up your hard earned money to transients you are running the risk of such fraud.

What has become of the ancient idea that every community, including Canyon, should have a permanent drive for beautification everywhere?

There are people in the United States today yelling heir heads off in praise of democracy without having ever understood what democracy means.

Taking the government out of business means, as a rule, preventing the government from doing something for one's competitor's business.

The average man cannot understand why it is almost impossible to frame peace treaties without running into the danger of warfare between allies.

There are some structures, private and public, in Canyon which would be benefitted by an application of the Clean-Up and Paint-Up idea.

It isn't expected that everybody will think you are perfect; just be satisfied if you are able to fool one or two human beings.

Who Is A Democrat in Texas? Trumanite Before or After Vote?

Who is a Democrat in Texas?

With all that yapping about Wright Morrow, we wonder who can really qualify as a Democrat.

Is he the fellow who voted for President Truman, and follows everything now that Truman advocates, regardless of consequences?

If this is the definition of a Democrat in Texas, we are fearful there are few who can qualify.

Truman advocated, during the campaign, and still advocates stealing the rich tideland oil fields from the school children of Texas.

Who in Texas believes that Truman is right? Very, very few persons.

Truman believes in, and is trying to push through Congress his civil rights program.

Who in Texas believes in this civil rights program? Very few, indeed.

Senators Tom Connally and Lyndon Johnson have been posing as Democrats and are generally looked upon as pretty strong for their party. But they are certainly against federal stealing from Texas; and they are against the civil rights program of the President; and they have both joined the filibuster to keep the President and his henchmen from abolishing the rights of Senators to filibuster.

Are Texans going to read Connally and Johnson out of the Democratic party?

Does the fact that one voted for Truman in November bind him to everything that Truman, the President, now advocates?

Do you believe in raising four billion more in taxes to be fed into the national government, with no regard to economy?

Truman stands for all this. Most Texans abhor the program of the President, yet a lot of so-called Democrats are seeking to set aside the will of the party in electing Wright Morrow as National Committeeman.

We know nothing about Morrow, except that he has been connected with the Democratic party for many years. Just because his opinions differ from those of the President does not read him out of the Democratic party any more than these so-called leaders can kick Connally and Johnson out for taking a firm stand against the unwise legislation which is advocated by the President. Those who claim all Democrats should wear the brass collar of the candidate, and then wear the brass collar of the office holder, regardless of his actions or attitudes, are seeking to set up a dictatorship within the party. Such an attitude would forever damn the party with American citizens who put men and principles before party. These are the fellows who elected Roosevelt and Truman, but they will not elect another Democrat if these little dictators within the party in Texas should gain their way in national affairs.

Trustees Should Be Re-elected

Trustees of the Canyon Independent School District were in session the other night. It was proposed that all seven stand for re-election. None of the present board wants this gratis job, but agreed to continue if the people want them.

The Board is composed of Dr. R. A. Neblett, Mrs. E. D. Harrell, Walter Graham, C. B. Erwin, W. R. Crow, Geo. R. Ross and Clem Dugan. They should be re-elected by all means.

Serving on the school board is a hard job, and the members are paid only in their feeling of having accomplished a job worthwhile for their community. This board has a splendid record of achievement, and one of which every citizen of the district should be very, very proud.

Passing the Buck on Bonus

It is predicted that a bonus will be pushed in the House by Representative Rankin, with chances for its passage. The Senate is said to be cold on the subject, and the President has told veterans that a bonus is impossible. Rankin is willing to put the administration in the hole because the Democrats kicked him off the un-American invesigating committee. The veterans feel that they should get their share of he loot that Truman seems willing to spread around over the nation. Another case of buck passing.

Income taxes were due and payable Tuesday. This fact calls attention to the mounting cost of our federal government. We not only have the debts of past wars, but we have undertaken the tremendous job of taking care of the people of nearly every nation in the world. America is blessed with untold natural resources. While all of us hate to see this wealth spen in this manner, any expense is preferable to living in slavery, which the Reds would like to impose upon us.

Of course you want to see the Canyon Independent School District get all of the money due it. For that reason every child in the district of scholastic age should be enumerated. The loss of each child from the rolls means the loss of $55 in cold cash. Call Lee Foster if there is any question in your mind about the children of your family being on the scholastic roll.

Inflation may be pleasant on the upgrade, but when the peak is reached and the trip downward begins, there will be enough headaches to make you forget what occurred.

No advertising works miracles, even that published in The Canyon News, but it is a paying investment when properly used.

A higher price is always justified by a better product. Many a business fails because the price is too low to permit quality or super-service.

If you haven't bought a revised version of the Bible, your old one will do; get it out, some quiet evening, and read it carefully and thoughtfully.

Later on in the year, there will be some people in Canyon who will wish they had planted a garden and we will probably be among them.

The churches of the land may make many mistakes and the preachers may say some foolish things but where would the human race be without them?

Trading in Canyon is smart, provided prices are reasonable. Buyers should give local merchants a chance and efficient merchants ask for nothing more.

A new idea is like poison to some minds that refuse to be educated.

Emotions are valuable but civilization teaches self-control.

What to do if you can't lay your hands on a Shmoo*

*SHMOO—a prolific animal dreamed up by artist Al Capp to provide meat, eggs, milk and suspender buttons for the folks in the famous comic strip, "L'il Abner."

Shmoos are remarkable creatures.

They give milk, lay eggs. Broiled, they taste like steak. Fried, they taste like chicken.

L'il Abner and his Dog Patch friends don't have to worry about the future since cartoonist Capp invented shmoos.

BUT—we happen to know that cartoonist Capp is providing for his *own* family's future needs another sure way. By buying U.S. Savings Bonds regularly.

And that, without a doubt, is the wisest thing for anyone who doesn't own a shmoo to do!

Saving is every bit as easy as raising shmoos, once you've signed up for the Payroll Savings Plan. Whatever sum you say is saved out of your paycheck automatically *every payday* before you have a chance to spend it.

Safe and sure—every nickel is guaranteed by Uncle Sam. And that money grows fast. In just ten years, you get back $4 for every $3 you invest today.

If your company has a Payroll Savings Plan, enroll today. If not, join the Bond-A-Month Plan through your bank.

ALL DAY MEET OF WEST SIDE CLUB HELD IN C. E. HEAD HOME

The West Side Home Demonstration Club met with Mrs. C. E. Head at an all day meeting on Wednesday, March 2.

After a covered dish dinner was served Mrs. Ray Metcalf, president, called the meeting to order. Roll call was answered by each member telling about some cooked food she had frozen.

Mrs. J. B. Hagar acted as secretary in the absence of Mrs. J. D. Pruett.

Ten members voted to draw for a 4-H Club girl and act as her club mother.

After all business was completed, the program was turned to Miss Lou Ella Patterson, who discussed "Serving Baker Products from the Freezer Locker." Miss Patterson said that custard pies cannot be frozen, but fruit pies can. Cakes and pies that have been frozen can be taken out of the locker and put in a 300 degree oven for 15 or 20 minutes and will thaw out well.

A bedspread was given to Mrs. C. E. Head as a remembrance from the club.

Those present were Mrs. I. F. Watson, Mrs. R. A. Burrus, Mrs. B. A. Burrus, Mrs. J. T. Brown, Mrs. Harley Burrus, Mrs. J. J. Wright, Mrs. Smith, Mrs. John Hunter, Mrs. Jim Carter, Mrs. Lewis Harvey, Mrs. Ed Bourn, Mrs. J. B. Hager, Mrs. Lewis Tucek, Mrs. Ray Metcalf, Miss Patterson and the hostess.

The next meeting will be with Mrs. J. T. Brown.

BEAUTIFUL HUNGATE HOME IS SETTING RALPH CLUB MEET

The Ralph Home Demonstration Club held its regular meeting Wednesday, March 9, in the beautiful new country home of Mrs. Harry Hungate.

After an inspection tour of the spacious and attractive home, Miss Lou Ella Patterson gave a demonstration on frozen baked foods.

Refreshments of sandwiches and cookies which had been frozen then thawed were served to guests Mrs. S. G. Elliott, Mrs. Tom Gooch and Mrs. J. B. Anthony and regular members Mrs. Glenn Dowlen, and Marie, Mrs. Sam Hill and Barbara Ann, Mrs. Travis Payne, Mrs. John Lill, Mrs. L. S. Johnston, Mrs. Lonnie Byars, Mrs. Crews Henry, Mrs. C. O. Elkins, Mrs. Harold Byars and Judy, Mrs. David Horn and Lana, Mrs. Albert Byars, Mrs. Grady Persons, Mrs. Roger Gist, the hostess and her house guest.

Price Declines Are Studied in All Sections

The attention of many members of Congress seems to be wavering from Mr. Truman's long-range legislative program, and turning to the immediate problem of just what current declines in prices, employment and business activity mean.

Some of the drop can be attributed to seasonal factors. But that doesn't account for all of it by quite a ways. Congres wants to get a clearer idea of what is going on before it does much law making.

The House-Senate Economic Committee recently called in a number of leading economists and asked for their opinions and advice. As was to be expected, there were many differences. But the majority of these experts were agreed that we have passed the peak of inflation, and that a levelling off period was now at hand. However, there was little talk to the effect that a severe recession was imminent.

One of them, representing a large life insurance company, anticipated a long period of good times, though he added that the buyer's market is back and the consumer will have to be induced to buy. Another, from a publishing house which issues magazines dealing with industrial questions, said he doesn't fear that a serious downturn is coming, and warned against raising taxes. The economist for a steel company argued that a big backlog of demand, left over from the war days, is still in evidence, and was optimistic as to the future. A pessimistic note was struck by the economist from a national research organization, who was none too sure that we have an easy road ahead.

The point on which most agreed was that there should be no tax increases, either on business or in individuals. The reason: these burdens, they think, might prove to be sufficient to turn a moderate and temporary decline in business activity into a real resession. The President has said that nothing that has happened has changed his view on the tax problem, and Congress should approve his proposal for raising $4,000,000,000 through new taxes. But there are many grave doubts among members of both parties.

Sentiment is increasing for making up posible budget deficits by reducing the cost of government. The Hoover Commission reports, which have been issued so far, have shown up serious waste which could be eliminated without touching any essential function. Duplication of bureaus, archaic procedures, the abuse of patronage—these are old vices which the Commission hopes may be cured. Mr. Hoover's idea is that the president should have far greater direct powers over the machinery of the government. It is not likely that all of the recommendations will be approved. But a start will be made.

Arthur H. Vandenberg, U. S. Senator from Michigan: "We confront a Communist conspiracy of conquest against free government, free men and free souls."

Hubert H. Humphrey, U. S. Senator from Minnesota: "Parking can be rated as the No. 1 traffic problem."

Earl O. Shreve, president, U. S. Chamber of Commerce: "The paternal state is already here in a big, expanding way."

Tom Connally, U. S. Senator from Texas. "When it comes to atomic bombs, we must have more of them and better bombs than any other nation on earth."

The bigger the author, the smaller the words he tries to use.

Spanish Fiesta Plans Formulated

A Pan-American Fiesta, sponsored by the Llano Estacado Chapter of the American Association of Teachers of Spanish, will take over the campus of West Texas State College on Saturday, April 9.

Purpose of the Fiesta will be to increase interest in the language and customs of Latin-American neighbors. Features of the day will be a Mexican market in fiesta setting with strolling musicians, souvenir shops, jugglers, carabet, authentic portrait sketching by WT art students and crowning of a Fiesta Queen chosen from the Spanish students of visiting schools, and a Spanish movie.

Invitations have been sent to all Spanish teachers and students in high schools and colleges in the West Texas area.

An auditorium program featuring the Mexican consul from Amarillo, will also have a variety show with Latin and Anglo-American talent, and awarding of American Association of Teachers of Spanish medals for winning Spanish essays. The Queen's ball will be the final event with prizes awarded for the best boy and girl in costume.

OUR TAX BILL WAS BIG TOO

IN MANY TOWNS we serve, Southwestern Public Service is the largest tax payer. Just as many other tax paying citizens we pay each year municipal, county, state and federal taxes.

Most of these tax bills have gone up in the past several years as tax rates have risen, and as our investment in equipment has increased.

Despite increased expenditures for taxes, wages and equipment, your Public Service Company is happy that it is still able to provide dependable electric service today at lower cost than ever before.

Jack Taylor Has Announced Clinic For Crippled Tots

Plans have been completed for Khiva's second annual orthopedic diagnostic clinic, according to announcement by Jack Taylor, Potentate's Aide for Canyon, from Khiva Temple.

The clinic will begin at 9 o'clock in the ornimng, Saturday, April 30, in Khiva Temple, Fifth and Fillmore, Amarillo, and continue through the day with orthopedic specialists conducting the examinations. Paul M. Clauser is clinic chairman, a position in which he served for the 1948 clinic. At that time 77 children were examined.

"Anyone interested in having their children attend the clinic is asked to contact me at once," Mr. Taylor stated. "Children under 15 years of age are eligible for the clinic, regardless of race, creed, or color."

Application forms must be filled out for eligible children. There is no charge for the application or the examinations. Lunch will be served at the Temple at noon for the children, their parents or guardians, and all those assisting with the clinic," said Mr. Taylor.

CARD OF THANKS

We take this means of expressing to our friends and neighbors our sincere appreciation and gratitude for the many, many acts of loving kindness and for the beautiful floral offerings given us in the loss of our beloved "Dad", C. R. Holland.

May God in his infinite wisdom bless each of you and sustain you in your hour of trial. Mr. and Mrs. Eddie Jameson and family, and Mr. and Mrs. Robert Westbrook and son.

Billie Bonds Shower Honoree

Mrs. Earl J. Davis and her daughter, Earlene, entertained in their home in the Jowell community Friday, March 11, from 3 to 5 p.m., with a bridal shower honoring Miss Billie Bonds, bride-elect of Ray McDonald.

Miss Imogene McDonald presided at the bride's book. Many bouquets of colorful sweet peas decorated the entertaining room. Mrs. Davis conducted several contests after which Mrs. Tom C. Gooch gave a recipe for "Husband Conserve".

Mary Ann Parker, Laverne Hinders, Betty Forrester, Ruby Lee Bonds and Earlene offered a vocal selection in honor of the bride-to-be.

The program was then interrupted by a loud knocking at the door by a gypsy. After much persuasion, the gaily dressed gypsy was admitted. She insisted on telling fortunes, and after telling Laverne Hinders many interesting things about her future, she spied the bride-elect and predicted for her a near marriage, much happiness and many gifts for the new home. The gypsy proved to be Mrs. Ethel Burtz.

After the many lovely gifts were opened, a freshment plate of cherry pudding, sandwiches and punch was served to about fifty guests from Canyon, Amarillo, Happy and Tulia.

Famed Children's Theatre To Be Presented Here

The Clare Tree Major Children's Theatre is coming to Canyon, under the sponsorship of the American Association of University Women, on Tuesday, March 22, at the Administration Building Auditorium at the College. The play given will be a dramatization of Hans Christian Andersen's tale, "The Snow Queen," and the time will be 1:30, so that school children may see the play and return to schools in time to reach home at the usual time.

The production is a part of the Twenty-fifth Anniversary Jubilee of Mrs. Major's organization; "The Snow Queen" is one of six all-time favorites being given during the Jubilee tour. The play as presented stays very close to the original story.

The Clare Tree Major productions are notable for their fine settings and costumes. Marian DePew, who plans the costumes, is recognized as a leading designer.

Because of the artistic character of the productions, and because adults very frequently enjoy recalling so realistically the stories they read as children, there is always a larger adult audience at a Children's Theatre play than just the number necessary to chaperone the children. Most of the Children's Theatre plays have, in fact, been presented successfully in the adult theater.

"The Snow Queen" represent part of Clare Tree Major's answer to the "It can't be done" which greeted her from every side when she first proposed her Children's Theatre, and her progressive ideas on child entertainment twenty-five years ago.

At that time, Mrs. Major, a successful, and the only, woman manager on Broadway, decided to devote herself to an ideal: to make the theater a living force in education. She looked upon the theater not as mere entertainment, but as the means of giving to children the emotional balance and security which is so necessary to them in a complex civilization. Reactionary educators and contemporary theater managers both told her "It can't be done." In spite of them she launched her first company of adult Broadway actors trained by her in the special technique of playing for children. She now has six companies, playing to two million children annually, on the road.

It is hoped that the AAUW can make such productions an annual event in Canyon.

New Plymouth on Display

Plymouth's new special deluxe four-door sedan (above). Throughout the new Plymouth line beautifully streamlined bodies are lower and narrower, seats are wider and headroom greater. At the same time overall exterior dimensions are reduced, but wheelbase has been lengthened to 118 inches and glass area is increased. Horsepower is raised to 97. Although fenders flow gracefully into the body they are detachable for ease in repair.

New Plymouth Features Beauty, Performance, Safety and Comfort

Brilliant new styling is combined with outstanding riding comfort, increased roominess, and sweeping mechanical improvements in the new line of Plymouth automobiles.

Completely redesigned, the new Plymouth has a longer wheelbase for a better ride and more road stability, but less front and rear overhang for easier parking and garaging. While the silhouette has been lowered and the width decreased, there is more head and leg room and seats are wider. Typical of Plymouth's many refinements is the ignition-starter combination, with which a turn of the key starts the engine.

The new Plymouths are sleek in appearance. New rear-end styling provides a graceful balance with the horizontal grille lines which emphasize the broadness of the front. Fenders which blend perfectly into body lines are nevertheless separate and detachable, thus avoiding sheet metal panels so costly to repair or replace.

The new Plymouth line includes nine distinct automobiles. Special deluxe and deluxe types are on a 118-inch wheelbase, one inch longer than last year's. Special deluxe models are: four-door sedan, club coupe, convertible club coupe and station wagon. In the deluxe group are the four-door sedan and the club coupe. In addition, Plymouth will build three deluxe models on a brand new 111-inch wheelbase, a two-door sedan, a three-passenger coupe, and a new body type, the Suburban.

The 97-horsepower engine has improved performance and efficiency with a new design cylinder head which increases compression ratio to 7 to 1. A new chrome plated compression piston ring reduces cylinder wear and provides greater protection during the break-in period. There are improved oil rings for greater oil economy, while a newly-designed intake manifold induces quicker, smoother engine warm-up and produces faster throttle response.

Body styling which produces greater passenger room without excessive bulk also increases visibility. V-type windshields have 37 percent more area and provide excellent vision without distortion. Windshield wipers clear 61.5 percent greater area and the rear window is 35.4 percent larger.

Showing of the new Plymouth will be held Friday in Canyon by the Joyner Motor Co., Samuelson Motor Co., and Randall Motor Co.

Mrs. Gladdis Samples is in Corpus Christi visiting with her daughter and family, Mr. and Mrs. Paul Aldridge. She also plans to visit her son and wife, Mr. and Mrs. C. W. Samples, Jr., in Alice, and will return to Canyon on Sunday.

Mr. and Mrs. Herb R. Miller and daughter of Lubbock spent Sunday with Mr. Miller's sister, Mrs. Ethel Black. Mr. Miller is a former printer on the News force, but is now a linotype operator on the Lubbock Avalanche-Journal.

Mrs. P. M. Wilson spent last week in McLean visiting in the home of her sister-in-law, Mrs. A. C. Bryant. Mr. Wilson, who had been visiting there for the last 5 weeks, returned with Mrs. Wilson to their home here. Mrs. Bryant has been seriously ill but is improving.

Mrs. Everett Trout visited last week in Childress with Mrs. H. B. Smith and Mrs. Karl Gillespie returning home Sunday. Mrs. H. B. Smith and daughter, Miss Della Faye Gillespie and Hilda Gene Gillespie accompanied her home and visited here over the week end.

Clay Cooper, Worth Jennings, and J. P. Cartright returned Monday from a fishing trip at Don Martin, Mexico. They reported the fishing good, although they were not lucky enough to get a Mexican guide to lead them to the best fishing spots.

Among Canyon visitors Tuesday for the band clinic were Mr. and Mrs. Alonzo Jensen, band director from White Deer, and Mr. Jensen's mother from Dallas, Mrs. Andrew Jensen.

Sunday dinner guests in the home of Mr. and Mrs. John Hunter were Mr. and Mrs. Billy Jo Hunter and Mr. and Mrs. Jay Hunter and baby of Amarillo, and Mr. and Mrs. W. H. Harden of Canyon.

Mr. and Mrs. Ross Service and Don spent last week end in Odessa visiting their son and family, Mr. and Mrs. Tommie Service, and other relatives of Mrs. Service.

Mr. and Mrs. Lloyd Childers and boys and Densmore Mickle visited last week end at the ranch home of Mr. and Mrs. J. L. Hefner at Mosquero, New Mexico.

Mrs. Sadie Serr of San Diego, Calif., arrived Friday to spend a week visiting in the home of her sister and brother-in-law, Mr. and Mrs. R. C. Nicholl.

Honeymoon Over For Truman on Labor Measure

Immediately after the election, when it was known that the Democrats had not only elected a President but had gained substantial working majorities in both House and Senate, it was felt by some that Mr. Truman could have anything he wanted. But there were those whose knowledge of the workings of politics went deeper, who were not so certain. Even Franklin Roosevelt had plenty of trouble with Congresses which were overwhelmingly Democratic. Mr. Truman is in the same boat.

The Taft-Hartley Bill is a conspicuous example. If the labor groups really thought that outright repeal of this act and a return to the Wagner Act was likely, they were badly misinformed. The temper of Congress certainly is not for giving labor a free hand. The Republican minority is solidly in favor of many Taft-Hartley provisions, and so are a considerable number of Democrats. The fight against unqualified repeal has been ably led by two young Republican senators—Ives of New York and Morse of Oregon—and they have developed a large following on both sides of the aisle. The day has long been over when party members voted as a group, and statistical majorities do not necessarily mean much when some particular piece of legislation is involved.

Other parts of the Truman program will also, in all probability, be extensively modified. Sentiment against heavy new taxes on business is strong—this, it is feared in some quarters, might produce a dangerous drop in business activity and employment. Large elements in Congress—and these are also bipartisan—think the first step should be to cut the cost of government, and that new or higher taxes should only be levied if there is no other way out. The Hoover reorganization plan, which, it is estimated, would save $3,000,000,000 a year, largely in administrative expense, is providing the ammunition for those who think that.

The middle-of-the-road elements are also laying plans for extending social security on a less costly basis than that proposed by the President. The Administration's concept of the welfare state has aroused fears in its own ranks no less than those of the opposition. Such matters as compulsory medical insurance for everyone face tough going. Here Senator Taft, who is one of the best strategists in Congress, has met fire with fire, and come up with a modified program of medical aid to the needy, housing, etc., which has strong backing.

"Modern politics," wrote Henry Adams, "is a struggle not of men but of forces." This Congress is affirming that truth.

Neighbors Show Interest in Help To Needy Friend

In the early days it was a common sight to see neighbors band together to help each other. Barns were built, crops harvested, land cleared and numerous other heavy tasks were accomplished in a few hours instead of weeks or months. It was done in an atmosphere of spontaneous fun. The neighbors simply dropped in for a raising bee, a husking bee, or whatever the occasion required, with their wagons loaded with food.

These work parties were a necessity in pioneer America. But it is cheering to note that this tradition is still with us in this machine age. A recent news item tells of a service station operator in a small Minnesota community who had an unusual run of bad luck. His competitors decided to help him out. They closed their stations one Sunday and took over the job of manning his cash register and pumps to handle the sudden rush of business. It was necessary for the local constable to direct traffic. Many people refused change, and the supplier, which was one of the leading oil companies, furnished gas at cost. When the day was over the station operator was considerably better off financially, and had gained new appreciation of his friends and neighbors.

If instances like this could occur more often half the seemingly insoluable problems of the country would disappear.

Mr. and Mrs. Odie Collins and children returned Saturday from Brownville where they have spent the last three months.

Mr. and Mrs. Frank Hicks were in Texarkana last week end where they visited their daughter and son-in-law, Mr. and Mrs. Forrest Small.

Dr. M. L. Upchurch of Berkley, Calif., is visiting in the home of his parents, Mr. and Mrs. W. H. Upchurch.

It's only a question of a few more billions until the one who's going to need Federal aid the most will be Uncle Sam.

Some people think that it is tolerant to expect intolerance in others.

W. T. Personalities Named Friday Night

On Friday night at 10:43 the collegiate secret of the year was revealed when Ludie Turner, Hereford sophomore, and James 'Rosie' Bates, Childress junior, were crowned Personality King and Queen of West Texas State.

Dr. James P. Cornette, WT president, placed the maroon-satin crowns on the brows of these popularly-elected students to climax the Second Annual Plains Personality Pageant.

Immediately preceding the presentation of the royal couple, dancers who packed the spacious and beautifully decorated Cafeteria to dance to the music of Skinnay Ennis and his orchestra, viewed a procession of Plains Personality Princes and Princesses from 21 schools in this area.

Each pair of school delegates had been chosen by their classmates to represent them at the festivities.

Following the high school and junior colleges presentation, William A. Moore, master - of - ceremonies, announced the runners-up to the college King and Queen as they took their respective places near the royal throne.

The runners-up, in order of royal rank were: Princess Billie Evans, sophomore of Panhandle and Prince James Harder, junior of Plainview; Duchess Katherine Brooks, McLean senior and Duke Bill Pevehouse, Newcastel freshman; Countess Ellen Sanders, Canyon senior and Count Neil Jackson, senior of Stratford; and Lady Dewina Glassmoyer, Floydada sophomore and Lord Homer Garrett, Borger senior.

The Pageant, conducted by the Student Association, got underway at 10 o'clock yesterday morning when high school and junior college delegates began arriving on the campus. At 12 o'clock they gathered for a luncheon in the Cafeteria.

West Texas High School was host to the honored royalty at 1 o'clock in the Education Auditorium when they presented the three-act comedy, "Home Sweet Homicide."

A tea given by the Inter-Club Council was staged at 4 o'clock in the Branding Iron Theatre for the guests. During the tea, Station KAMQ of Amarillo conducted a 30-minute radio interview among the celebreties.

Rehearsal for the Pageant was conducted at 5:30 in the Cafeteria.

Dancing to the music of Skinnay Ennis and his orchestra initiated the evening's formal festivities at 8 o'clock. Dancing continued until 10:15 when Dr. Cornette stepped to the platform on the west side of the Cafeteria and presented the welcome address.

Background music by Ennis began and the master-of-ceremonies called out the first high school delegates' names.

From then until the final crowning at 10:43, the long, artificial grass covered platform running the length of the west wall, was a maze of color and personality.

Station KFDA of Amarillo carried the full coronation events.

High school represented and their delegates were: Mary Ann Todd and James Garner, Amarillo; Patsy Hodges and Lonnie Tilson, Borger; Betty Cantrell and Dickie Hutton, Canadian; Janey Forester and Richard Walters, Canyon; Sylvia Jones and Bill Johnson, Dalhart; Lavita Davis and Carroll Gregory, Dimmitt; Patti Pipkin and R. L. Giesecke, Matador; LaWanda Shadid and Jack Brooks, McLean; Melba Bryant and Don Fudge, Muleshoe; Sue Redus and Joe Pafford, Lefors; Alma Thea Deere and Paul Russell, Levelland; Dorothy Jones and Van Earl Nichols, Olton; Dolores Lee and Ralph Hutsell, Pampa; Patsy Wallis and Billy Hughes, Phillips; Delight Phegley and Weldon Hayes, Plainview; Rosemary Kenner and Phillip Bain, Stratford; Norma Thompson and Joe Hooper, Tulia; Joyce Dell Wood and Gaston Williams, Wellington; Marian Miller and Noble Oldham, West Texas High; Ruth Starker and William Fomby, Amarillo College; and Anna Jean Phillips and Bill Dickey, Frank Phillips College of Borger.

Point of No Return Danger Signal to Nation

The Farm Journal, which has a very large circulation among rural families throughout the United States, recently ran an exceptional editorial, which deserves the widest possible circulation. Here is what the Journal said:

"Never has a nation recovered itself, once the leaders have lured the people far into the grip of socialistic power. You can call the roll as far back as history reaches. Countries go on down to catastrophe as Germany and Italy have gone, as Rome went, and as Russia will go.

"Americans for a century and a half supported their government, kept it well out of their affairs, and so became the earth's richest people. Now more and more we ask the government to support us.

"Government offers more 'help' for agriculture, housing, education, health, and other things. Everybody is encouraged to ask for something. Every government aid means more taxes and more regulation. Each new experiment fastens onto the people a new load, and the load remains."

"When a flier risks stormy weather over the ocean, he approaches what airmen call 'point of no return.' Beyond that he cannot return to safety. He must take his chance on getting through.

"How near is the U.S.A. to Point of No Return?"

Dr. Ewan Clague, Federal Commissioner of Labor Statistics: "We are now forty-two months beyond V-J Day and we have as yet encountered nothing approaching a general liquidation of prices."

Mrs. Franklin D. Roosevelt: "I have yet to hear a Russian say everything is not perfect in the Soviet Union."

George W .Gasser, Alaska Commissioner of Agriculture: "The farming and grazing acreage potential in Alaska is as large as all of New England, plus New York."

Educators are warned on decline of English study.

Musicians Throng Buildings Here March 15 for Clinic and Concert

Sweepstake winning bands from Amarillo High School and Plainview High School and the West Texas State concert band will head the day's program Tuesday, March 15, when over 1,000 high school musicians assemble here on the campus for the Sixth Annual High School Band Clinic.

Although in past year the clinic has featured music played by a selected band under a distinguished guest conductor, this year's clinic will have activities for all who attend, including even the newest beginner.

Sectional clinics will be held for every instrument and for student conductors, and visual aid films will be shown for directors of the visiting bands. Some members of the Amarillo Philharmonic Orchestra, those that have had profesional experience, will conduct some of the sectional clinics.

Clinical work will end at 4:30 in the afternoon, but bandsmen and directors who wish to stay may attend a concert of the Amarillo Philharmonic Orchestra in the Municipal Auditorium in Amarillo as guests of the Board of Directors of the orchestra.

The high school band clinic is an annual affair designed by the Music Department of WT to promote more and better music among high schools in the surrounding territory.

Children's Play Slated March 22

Novella Goodman, president of the Canyon chapter of the American Association of University Women, announced that arrangements have been completed with Claire Tree Major for a performance of her famous Children's Theatre Tuesday afternoon, March 22 at 1:30 in the Administration Auditorium. The performance will be "Snow Queen."

Prices will be 40 cents for all children up to high school age; 60 cents for high school students; and 75 cents for all over high school age.

Mrs. Major's Children's Theatre is widely known for the excellence of its production and it tours the major portion of the United States each year.

The performance in Canyon will be open to all persons who may be interested. The play has a definite appeal to adults, as well as to children. Further information may be obtained from Miss Goodman, Mrs. Joseph Findley, publicity chairman of the AAUW, or from any member of the group.

If the support given to this performance is large enough, the AAUW hopes to make it an annual event.

Coaches Release 1949 Grid Card

Head football coach Frank Kimbrough this week announced a nine game schedule for the 1949 season. There are still two open dates on the ticket, but he hopes to fill at least one of them. The present plans call for four of the nine to be night games and five of the nine to be played in Buffalo Stadium.

The season-opener will be on Buffalo Field, the night of September 17, against East Texas State. September 24 sees the Buffs again in Buffalo Stadium, this time against McMurry; Oct. 1, Texas Tech, night, there; Oct. 8, Texas Mines, night, home; Oct. 15, Houston U., day, there; Oct. 22, Trinity University, day, home (Homecoming); Oct. 29, open; Nov. 5, Arizona State of Flagstaff, day, there; Nov. 12, Hardin-Simmons U., day, home; Nov. 19, open; Nov. 26, New Mexico U., day, there.

SPURRING THE SLUGGARD

The Scot is frequently the goat when jokes are on tap, but not always. Listen to this:

In an English political meeting one of the candidates patriotically orated: "I was born an Englishman, I have lived an Englishman."

From the back of the hall, in an unmistakable accent, came the question, "Mon, hee ye no ambeetion?"

"SOMEBODY'S ALWAYS"

A farmer visited his son's college. Watching students in a chemistry class, he was told they were looking for a universal solvent.

"What's that?" asked the farmer.

"A fluid that will dissolve anything."

"That's a great idea," agreed the farmer. "When you find it, what are you going to keep it in?"

Contest for Egg Production Will Be Under Way

The state-wide Farm and Home Egg Laying Contest will be continued for another year. The new contest opens officially on October 1, 1949. Persons wishing to enter the contest will be raising pullets for that purpose this spring. Prizes offered are as follows:

1st	$100.00
2nd	$75.00
3rd	$50.00
4th	$35.00
5th	$25.00
6th	$20.00
7th	$15.00
8th	$10.00
9th	$10.00
10th	$10.00
11th	$10.00
12th	$10.00
13th	$10.00
14th	$10.00
15th	$10.00.

Rules and regulations of the contest are:

1. Contest open to all poultry producers in Texas who own and manage 100 or more hens of not more than two breeds or varieties, exclusive of R. O. P. Breeders.

2. Each contestant must certify to the number of chickens to be entered in the beginnning of the contest. All pullets over 4 months old and hens on farm must be entered.

3. All entry blanks will be secured from the county agricultural agent or home demonstration agent by September 15, 1949. Each contestant will be visited by the county agricultural agent or home demonstration agent within 30 days after September 15, 1949.

4. All report forms will be supplied to the flock owner through the county agricultural agent or home demonstration agent's office.

5. All reports of contest must be submitted by the 5th of each month to the county agricultural agent or home demonstration agent of all eggs produced and number of hens, culled, died, or disposed of in any manner for each month. The contestants monthly reports will be sent to the Extension Poultrymen, Texas A. and M. College, by the 10th of each month, where the state summaries will be tabulated.

6. Contest will be judged as to the number of eggs produced per hen.

7. Number of hens reported at the end of each month will be used in figuring eggs per hen for the following month.

8. A monthly summary of the contest will be broadcast over the Texas A. and M. College Farm and Home Radio Program.

9. Official contest will begin October 1, 1949 and close July 1, 1950. During the month of July, a committee will visit each of the contestants in the first twenty places of the contest.

Grant Belles Died Sunday in California

Grant Belles, 83, died Sunday in Torrance, Calif., where he has been ill for several weeks.

The Belles family lived northwest of Canyon about 30 years ago, moving from there to Amarillo.

The body was returned to Amarillo for interment Wednesday in Llano Cemetery by the side of his wife who died several years ago.

Mrs. Frank Nicholl with her son and his family, Mr. and Mrs. Gerald Nicholl, Jerry and Larry, of Indianola, Iowa, visited in the home of Mr. and Mrs. R. C. Nicholl last week.

Mrs. Maymie Emery of St. Paul, Minnesota, has been house guest for the past three weeks in the home of Mr. and Mrs. R. C. Nicholl. Mrs. Emery and Mrs. Nicholl are sisters.

Kitchens, Malone Place on Conference Basketball Teams

Hubert Kitchens, guard of Childress, won a place on the Border Conference All-Conference basketball team, and J. W. Malone, guard of Stratford, won a place on the second team.

Kitchens, 5 feet 11 inches, and J. Malone, 5 feet 10 inches, were stellar Buffalo players during the 24-game season in which West Texas won 16, lost eight.

Kitchens scored a total of 189 points, hitting better than 77 per cent of his free shots and slightly more than 30 per cent of his field goal attempts.

Malone scored 213 points, sinking 70 per cent from the free shot line and nearly 36 per cent of his field goal tries.

Malone played in all 24 games on the schedule, while Kitchens played one less, missing the home game with the New Mexico Aggies.

Student Honors Committee Lauds Florence Recognition

Lewis Florence, West Texas State College student who came here on a music scholarship, has been accepted by Baylor University College of Medicine, Houston, for medical training.

The versatile senior from Boston, Massachusetts, passed the Naval R.O.T.C. competitive examination last December and the medical aptitude test in January. Florence attributed his ease in passing the examinations to his pre-med training here.

In the summer of 1946, Florence answered a WT scholarship advertisement in "Down Beat" magazine. By October he was on the WT campus attending on the scholarship he received two days before he was to enter the Army. He is a member of the college band, orchestra, dance band, Kappa Kappa Psi, national band fraternity; Mary E. Hudspeth and Alpha Chi Scholarship societies; Phi Beta Gamma, science fraternity, and intramural basketball and football teams.

As a result of his achievement, the student honors committee on the campus has nominated him for special honors this year. The committee is composed of J. L. Duflot, T. B. McCarter, Darthula Walker, Mattie Swayne Mack and Edna Graham, WT professors.

Sandy Oliver of West Point Visited The Naval Academy

West Point, N. Y.: Cadet George S. Oliver, son of Mr. and Mrs. W. T. Oliver of Canyon, was one of the group of Cadets of the U. S. Military Academy who visited the U. S. Naval Academy at Annapolis in the third of this year's student exchanges between the two service academies.

These student exchange trips are designed to familiarize the Senior and Junior classes of the academies with the other school's academic and military training methods of instruction, all in an effort to bring the future officers of the Army, Navy and Air Force into a closer and more understanding union.

Throughout his visit at the Naval Academy, each cadet lives with a midshipman and attends classes, meals, chapel, and other formations with this midshipman for the four day period. In this way, he becomes as nearly as possible, an integral part of midshipman life.

Cadet Oliver, who was appointed to the Military Academy by Congressman Eugene Worley of Texas, attended Canyon High School and West Texas State College before entering the Academy.

'Snow Queen' Offers Students Glamour

When the Clare Tree Major Children's Theatre of New York presents Hans Christian Anderson's "The Snow Queen" at the Administration Building Auditorium on March 22, at 1:30 p. m., one of the world's most delightful fairy tales will prove that it can hold the interest and win the affection of children of today in competition with the crime fiction and tales of violence the youngsters are exposed to in the movies, on the radio and in the so-called comic books.

Miss Novella Goodman, President of the AAUW which is bringing the production here as part of its program to promote the ethical and cultural development of local children, says that "'The Snow Queen' is today one of the most popular and enduring tale sto come from the pen of Hans Christian Anderson, despite the fact the estory has its roots in folk lore of almost unbelievable antiquity."

Ticket sales in Junior High will be in charge of Mrs .Ed. Weeks. They will be priced at forty cents for grade school students, sixty cents for high school students and seventy five cents for adults.

"This program will no doubt appeal to seventh an deighth grade students who upon written statements from parents will be permitted to see it, and the school will furnish transportation to and from the play. Grade school students will be directed by Miss Elva Franabarger, their principal," states J. E. Miller, High School principal.

Your Record Is You

"You are making a record in High School. That is also the title of the High School bulletin that one will be reading from now on. Each of the following rules will be brought out for the student's benefit.

Will the record you are making in high school count for or against you in later life?

Will your school ever be called upon to reccommend you for a job? . . . or for entrance into college or university?

Will business and industry attach any importance to your high school record?

What are the techniques used by business and industry to "weed out" their applicants for positions? . . . to "rate" their employees?

In the Spring a young man's fancy turns to love?????

W. T.'s play collected quite a few o fthe CHS couples. A few I noticed were: Mary Ruth Hill and Don Hickman; Ava Dooley and Troy Burrus; Janey Forester and Bruce Winn; Jo Parker and Albert Craig; June Jennings and Billy Cleavinger; and Jerre Inman and W. T.'s Dorothy Carter.

Bruce, Troy, and Albert really had a buscy weekend. Saturday night they were with Betty Ross Craig, Teddy Howell ,and Dorothy McReynolds.

Does Kenneth Caskey really know he has two dates for Wednesday night? I heard W. T.'s Zoria Bishop and Bennie Sue Boswell both claim the honor.

While I have the attention focused on the Caskey family, I might as well relay the news about Edwina. She is sporting Jr. Sanford's saddle ring.

The best Willis Parsons can do is to chauffer Joyce Payne and Golden Currie around, how about that Willis?

What's this about Tommy Gooch enjoying himself at Palo Duro Canyon Sunday? I hear Janelle Womble went along, just for the ride?

Nelda Ruthardt, what were you looking for Saturday night? Could it have been Richmond Payne?

Saturday night also found Bertha Lee Lindsey and Jimmy Parsons; Peggy Bonds and James Thomas; and Jimile Jennings and Donnie Stroup seeing the sights of Canyon.

As a last resort I end my week's news with this bright jingle someone happened to overhear:
Mary had a little watch,
She swallowed it and now it's gone,
Time marches on — — —

Mr. Robert A. Wallen Resigns Post as Canyon Custodian

Mr. Robert A. Wallen was forced to resign his position as custodian last week due to illness.

He began work at Canyon High School last fall and continued until the middle of this term. Beside being an effecient janitor, he was a pleasant person to have on the working force.

For some time he has been suffering from high blood pressure and was taking treatments hoping to continue work.

Last week a blood vessel in his eyeball ruptured. He was fortunate that it was possible for the blood to absorb and avoid paralysis of the body.

Mr. Wallen, at present is in Oklahoma, seeing about property there, but will return to his home here within a few days.

Mrs. Joe Findley substituted for Mrs. Nora E. Gilmore, Monday, who was away from school due to illness.

Sextet Nudged In Tournament

Dorothy Butler Duniven was unanimously elected volley ball captain by her teammates Tuesday, March 8, preceeding the Canyon and Phillips game. This is Dorothy's fourth year to play volley ball and also her fourth year for first string.

Canyon Eaglettes began the first of four consecutive tournaments by journeying to White Deer, Saturday.

The Sextette had their first game with WT high at 10:30 Saturday morning. The first set was an easy victory for the Eaglettes, with a 15-9 score. They dropped the second set to WT, 15-4, but surged ahead in the final set to cinch the game with a 15-9 score. Mary Sue Foster led her teammates with 10 points. Beverly Beck led WT also with 10 points.

Canyon's second game and final game of the tournament was against White Deer at 2 o'clock Saturday afternoon.

The Eaglettes lost their first two sets to White Deer, 15-4, 15-9, thus putting Canyon out of the tournament.

Dorothy Duniven was Canyon's high pointer with 11 points.

Canyon 'B' team played Amarillo 'B' team and lost their first set, 15-0. Rallying slightly in the second set, the Eaglette's 'B' dropped 7 points to the Amarillo's 'B' 15.

Lorayne Carter was high pointer with 3 points while Koontz of Amarillo racked up 9 points for the winners.

The next tournament the Eaglettes will participate in will be held in Canyon next Saturday, March 19, at the Canyon grade school gymnasium, with eight teams entered.

CHS Shop Receives Latest Equipment

Involved in the recent expansion program of the school was the industrial Arts Department. It has been realized with new quarters and equipment provided.

The department is now located in the north end of the new building and has nearly twice the space as it did formerly. There are now three rooms—a large shop 30 ft. by 50 ft., a finish room and a drawing room.

Early in the year for the Mechanical Drawing classes 10 new sets of drawing instruments, T-squares, scales and triangles were obtained.

For the shop classes, hand and machine equipment have been procured. Planes ,cabinet scrapers and other handtools were added to supplement those already in the shop which had only a 6" jointer, a 10" table saw and a drill press. To these have been added a new 10" set to replace the old one, a 16" handsaw, a 24" jigsaw, and two woodturning lathes. The addition of these machines will enable the boys to turn out more and better projects of a greater variety.

First Year Projects

At present the first year classes are building such projects as taborets, magazine racks, wall shelves, costumers and end tables. Among the projects being built by the second year classes are end tables, a coffee table, bookcases of various designs, and a bed. The boys are experiencing work with various hardwoods including mahogany, walnut, Santa Maria maple and others.

Aims of Program

The aims of an Industrial Arts program include:

1. To provide experience in manipulative phases of woodworking.
2. To inspire appreciation of good workmanship and good design in wood products.
3. To develop the habits of careful planning and methodical procedure.
4. To inspire interest in creative hobbies or avocations.

"We are hoping the program may be enriched with the inclusion of some craft work such as plastics, leatherwork, art, metal, linoleum, block printing, etc.," states Perry Bell, instructor.

Special guests will be Mr. and Mrs. Jerry Jacobs, Mr. and Mrs. Lowell Potter, and Mr. Jack Barnett. The room-mothers, Mesdames Paul Lindsey, Ross Craig, Tom Gooch, Bill Money, Spurgeon McDougal, and Jess Thomas will provide and prepare the food which will be paid for by the class, later. The group plans to leave at four o'clock p. m., and to be back by nine p. m. Each member of the class may invite a guest at a special fee of fifty cents.

Canyon All-Girl Choir Enters Contest At College in April

The Choir has started practice for the Contest which will be held April 8, at West Texas State College. They will compete with all schools i nthe surrounding area. They havn't made a selection as to which three songs they will sing, but will select them some time this week.

"We trust that our choir will acquit themselves creditably in this coming contest. However, the experience gained will always be profitable and worth far more than any effort exerted." Says Herman Demus, director.

Junior Basketball Trophy Is Boy's Figure on Plastic Base

Second-place trophy, won by the Canyon Juniors recently in the Bovina tournament, is nine inches high, with a three inch graduated base.

The main shaft is of white plastic which rises to a height of nine inches. The top of this is centered with a gold mat on which is a gold -plated figure of a boy basketball-player poised to throw the ball. Around the center of the shaft is a one and one-half inch band with the inscription "Bovina Boys, 2nd Place Jr. Tourney, 1949."

It's Coming! See 'Almost Eighteen'

Rehearsals are progressing for the performance of "Almost Eighteen", a three-act comedy, to be presented at the Canyon High School Auditorium on Friday evening, March 25. The cast urges that you attend this presentation for an evening of youthful enchantment. Careful selection of each member for his suitability to the part as well as for acting ability, promises a well-balanced, well-staged production.

Donald Davis as Father and Gerald McDuff as Uncle George appear in two splendid comedy roles. Other members of the cast also play interesting parts. This play, as the title suggests, concerns the adolescent, but so fresh and sweet is the story, that we predict a sure fire success for its presentation. The curtain will rise promptly at 8:15. Tickets will soon be on sale and may be obtained from any of the cast or members of the senior class Admission will be seventy-five cents for reserved seats and fifty cents for regular admission.

Three Tulia Teachers Observe CHS Teaching and Lunchroom

Three teachers from Tulia Public Schools visited in Canyon High last Friday. They are: Mrs. Claud Shelton, Mrs. Charles Weeker, and Mrs. H. L. Rose, all third grade teachers. They came to see how the children are served at lunchtime and also to observe their work in the classrooms.

The Tulia lunchroom opened last week, and their cafeteria is operated in the same manner as ours. They serve around 600 to 700 students every day.

EDITORIAL

While we still have 10 weeks to work let's buckle down to studies and try to raise weak grades to a passing level. The quality and quantity of a student's work during the last weeks of school is very often a deciding factor in whether a student advances with his classmates or lags behind. A word to the wise should be sufficient. So students, let's chip in and show our teachers that we are deserving of a passing grade. A little effort now will carry a lot of weight when the teachers fiil out their report cards at the end of the school year.

Canyon's high flying junior team put a grand finish on their season by taking second place in the Bovina Invitational Tournament.

Led by Bob Busteed the junior team breezed by the Hereford junior team in the first game, to the tune of 27-16. Busteed had a field day by racking up 14 points. McCarter followed up with 6. Brock made 6 for Hereford.

Canyon's second tusle was a much harder game than the first. They trailed Muleshoe throughout the game until the final quarter when they pulled out to win by the score of 19-18. Busteed gained scoring honors with 9points. Morton from Canyon and Nichles from Muleshoe made 8 each.

Canyon went into the finals of the tournament with the Dimmitt junior team. They were defeated by one point. The score was 19-18. Busteed of Canyon and Gregory of Dimmitt tied for scoring honors with 7 points each. In this final game they were on free throws. Each team racked 8 field goals apiece, but Dimmitt Made 3 free shots to Canyon's 2. Bob Busteed made the all-tournament team.

The junior team had a fine season, 18 games won and 3 lost. Two of the three losses were by one point apiece and the other by three points. They have racked up 591 points to their opponents 306 for an average of 33 points per game to their opponents 17.

Individual scoring honors for this season were taken by Bob Busteed and Bob Ratliff. Busteed made 193 point sin 18 games for an everage of 10.7 points per game. Ratliff racked up 120 points in 12 games for an average of 10 points per game.

The following is the list of junior boys and the points they made: Bob Busteed, 193, Bob Ratliff, 120, Billy Morton, 84, Roy McCarter, 58, Harrell Slack, 64, Duane Currie, 23, Sidney Plant, 36, Tommy Middleton, 8, Bobby Ray Hardaway, 3, Lowell Hill, 2, Jimmy Cornette, 1, and Tommie Gooch, 1.

The Coach of this team is Mr. Jerry Jacobs.

Two Classes Make Plans for Future

Plans fo rthe senior trip were discussed in the senior class meeting last Friday. The class decided on Denver, Colorado as their 1st choice of trips, and Colorado Springs as their second choice.

The class gift to the school was discussed and the members of the class who wanted them, ordered school pins.

The Junior-Senior Banquet was the main topic of discussion in the junior class meeting last Thursday. A committee, of which Wayne Prichard is chairman, was appointed to start plans on it, which are to be kept secret until the banquet.

The clas decided to have a hayride-weiner roast next week as their first party of the second semester. A committee, with Mary Elizabeth Jennings as chairman, was appointed to complete plans for it.

A "Fun Encyclopedia" was presented to the class by Mr. Devin, class sponsor, which was a gift from Mrs. James Jennings. This book will aid the planning of class parties both this year and next.

Miss Dalrymple (better known as Laura Davis) helps keep Don Hickman in "Hot Water." Who helps him out? Come to the CHS Senior play, "Almost Eighteen", Friday March 25, and find out.

Male Quartet Is Scheduled To Sing Next Thursday at Assembly Period

Although not exactly with rings on their fingers and bells on their toes, they probably wil make music wherever they go.

This might adequately picture the King Amabassador Quartet and Bell Ringers who appear in assembly Thursday morning, March 24.

Advance press releases bill the group as extremely picturesque and gay on the stage. In direct quote from the releases, agents say:

Dressed in beautiful costumes and dramatizing many of their renditions, the King Quartet present fine vocal and bell music ranging from the popular to the best operatic selections.

Versatility, harmony and musical quality all blend into a program that is superior and pleasing. Their interpretation of negro spirituals captivates their audience and is one of the features of the program.

Expected to be included, among their program here will be bell renditions of "Bells of St. Marys" and "Sunday Morning in London."

Pastor to Preach In Baptist Revival

Nearly a hundred Baptist churches of the Plains region will have simultaneous revival meetings next week, March 20-27, and Pastor Roy L. Johnson of the Canyon Baptist Church will do the preaching in the services here which will be conducted each night at 8:00. Tuesday night the 22nd will be "Sunday School Night" and every Sunday School member has been asked to meet at 7:30 in departments as on Sunday morning. Thursday night the 24th will be "Training Union Night" and all members will be asked to meet at 7:30 in their departments as on Sunday evening.

Music during the week will be directed by Tom E. Knighton, with special music each night. All singers of the congregation have been asked to contribute their abilities in this "home talent" series of meetings, and friends of the community are invited to participate.

The pastor will preach Sunday at 11:00 on "By Faith, the Children of God", and at 8:00 Sunday on "Salvation, the Gift of God". The Monday subject at 8:00 will be "Ye Must be Born Again." Tuesday night: "And thou shalt be saved". Wednesday's subject will be "Love that obeys."

Sunday School hour Sunday will be 9:45 A. M. and Training Union (also for all the family) will be at 6:45.

Large-scale war exercises are being planned for the Atlantic.

Students decide comic books can be "good" or "bad."

PLEASANT VIEW CLUB MET IN ABBOTT HOME

The Pleasant View Home Demonstration Club met in the home of Mrs. Morris Abbott, Thursday March 10.

The meeting was called to order by Mrs. Joe Carver, president. Roll call was answered by each member giving a discussion on foods they had frozen. The club voted to have a combination exhibit in the fall.

Mrs. A. B. Haynes, Jr., gave the council report.

Mrs. Carver reported the election of Mrs. A. B. Haynes, Jr., as delegate to the District meeting to be held in Canyon, April 14.

Miss Lou Ella Patterson gave many good pointers on freezing cooked foods. She suggested that anyone having lunches to fix, could freeze them in advance, putting in individual packages as each member of the family liked them.

Lunch was served by Mrs. Joe Carver, food demonstrator. The food had been frozen earlier in the week. The cake, sandwiches and cookies were as delicious as freshly baked foods.

Members present were Mrs. J. H. Barrett, Mrs. M. B. Brown, Mrs. Cristler Crain, Mrs. Earl Burtz, Mrs. Joe Carver, Mrs. A. B. Haynes, Jr., Mrs. J. W. Howell, Mrs. Marvin Keller, Miss Patterson, and the hostess, Mrs. Abbott.

The next meeting will be March 24 in the home of Mrs. J. H. Barrett.

Over 1200 Area Homemaking Girls Will Gather on Campus March 22

The annual area meeting of the Future Homemakers of America wil be held at West Texas State on Saturday, March 26. About 1200 girls, their mothers, sponsors and superintendents are expected to attend.

Future Homemakers of America chapters from West Texas State and Canyon High schools will be joint sponsors. The West Texas State Chapter is in charge of arrangements and the Canyon High Chapter is in charge of the program. Mable Graham of Canyon High School, area president, will be in charge of the meeting to be held in Administration Auditorium at 10:15 a.m.

Mrs. James P. Cornette will welcome the Future Homemakers and will address the meeting. Gladys Armstrong, area supervisor of Homemaking Education, of West Texas State will bring greetings to the group and will tell of some area and state plans for promoting FHA.

Naneen Campbell, National Projects Chairman from Pampa, will relate her experiences at the FHA Nation Executive Council Meeting in Milwaukee. Honorary members of FHA will be presented by Elizabeth McCain, Area vice president from Plainview. The chorus from West Texas High will sing.

Various departments in the college will invite inspection or arrange exhibits or demonstrations for the special interest of these Future Homemakers during the period from 9 to 10 o'clock. The Art Department, the Industrial Arts Department, the Business Department, and the West Texas State Band are a few that have planned programs.

Juanita Davis, State reporter from Phillips, will be in charge of a meeting held at 12:45 in which new officers will be installed.

Present FHA officers of Area 1 are Mabel Graham, area president from Happy; Betty Ann Erwin, area corresponding secretary, Claude; Elizabeth McCain, vice president, Plainview; Louise Keeton, treasurer, Pampa; Patsy Cobb, recording secretary, Friona; Mrs. Camille Bell, area sponsor and homemaking instructor of Canyon High School; and Miss Armstrong, area adviser from West Texas State College.

Schools that will be represented are Elizabeth Nixson, Horace Mann and Sam Houston Junior Highs, all of Amarillo; Abernathy, Amherst, Borger, Bovina, Canadian, Canyon High and W.T. Demonstration School, Canyon; Childress, Chillicothe, Junior and Senior High of Claude; Crowell, Dalhart, Dimmitt, Dodson, Farwell, Floydada, Friona, Groom, Hale Center, Hedley, Hereford, Kress, Lefors, Littlefield, McLean, Lockney, Memphis, Miami, Muleshoe, Olton, Paducah, Pampa, Panhandle, Perryton, Phillips, Plainview, Quail, Quanah, Roaring Springs, Shamrock, Spade, Spearman, Stinnett, Stratford, Tulia, Turkey, Vega, Vernon, Wellington, White Deer, Wheeler and Dumas.

Students from the college Home Economics Department will provide a social hour before the guests leave for home.

BOYCE HOUSE "Gives You Texas"

For years, Brown had talked about the trip to Europe that he was going to take. He was a bachelor, had no close kin, had a fair amount of wealth and there was really no reason for not taking the trip. But he kept putting it off and time flitted by until he was 80.

Not long ago, I saw him and he said something about the trip to Europe; he was going to take it pretty soon, he said.

But he won't make the trip to Europe, ever; he is dead.

His heirs can take the trip that he was too busy to get around to making.

If you are planning to see the Grand Canyon or Yellowstone Park or Alaska or Mexico—go.

Or you may have the same fate that Brown had.

The first year that Col. Ray Leeman was head of the South Texas Chamber of Commerce—(it was the first year of that organization's history), he sat down and wrote the annual report. All the progress—the new industries, the new oil fields, the new highways—just about everything constructive that had happened anywhere in South Texas during the 12 months went into the document. A copy was sent to a friend, who wrote back:

"There was only one thing wrong with that report; you didn't claim credit for building the Great Wall of China."

(Leeman enjoys telling the story.)

Children's Diseases Are Widespread Throughout Texas

Measles and chickenpox have been widespread throught the state during the past few weeks, and in the week ending March 5th measles reached a total number of cases, 3,909, that was the second highest in history. Chickenpox was almost twice the seven year median, and Dr. Geo. W. Cox, State Health Officer has stated that there is an unusual number of adults suffering from this so called "childhood" disease.

"Both these diseases are extremely contagious," Dr. Cox said, "and the strictest isolation and sanitation precautions are necessary to halt their spread. Dishes, toys, towels, or anything that has been around the patient can carry the germs to other members of the household, and all such articles should be thoroughly disinfected before being handled by others susceptible to these diseases."

The State Health Officer recommended that a physician be called immediately when a child shows any beginning symptoms of chickenpox or measles, and that his advice be followed implicitly until complete recovery. Dangerous complications often accompany or follow measles, and a child may have his entire future health endangered unless he receives competent care during his illness.

"It is not advisable to treat these childhood diseases too lightly," Dr. Cox said. "They are sometimes responsible for nothing more than a few days discomfort, but we cannot count on that. They should be taken seriously, and receive a competent doctor's supervision and attention."

IMPORTANT ROLE

Manager—In the play we are preparing to give, I am casting you for a very prominent part.

Candidate—Shall I have the leading role?

Manager—Not quite, but almost. You are shot just before the first act begins. We have arranged a funeral song for three voices as the opening and as we have only two singers, you will have to help them out.

OF COURSE

"Do you believe that awful story they are telling about Alice?"

"Of course I do. What is it?"
